Subject: Organising campaign at Coca Cola in Poland

Dear Colleagues, Brothers and Sisters,

On behalf of workers from food sector in Poland , I am writing to express my great thanks to all of you who supported our „new born”-organization in the Coca Cola HBC Poland plant in Radzymin near Warsaw. We have received many letters from all over the world. Those congratulations and warm words means lot to us. We have realized that our organization is a part of a big “union family” throughout the world and we should cooperate in many fields.

We are happy to confirm that the new local branch of NSZZ “Solidarność” in Coca-Cola significantly increased the parent organization from Łódz . Now, we are looking for further growth of union membership in Coca-Cola - the Organizing Campaign at Coca Cola in Poland will be continuing in the near future.

With best wishes I am yours in solidarity,

Mirosław Nowicki
Chairman of Food Workers Secretariat NSZZ
