Dear Ms Roten,

The International Union of Food, Agriculture, Hotel, Restaurant, Catering, Tobacco and Allied Workers' Associations (IUF) is a global trade union federation representing workers throughout the hotel industry, including in Turkey.

Our Turkish affiliate TOLEYIS has informed us that the executives of Anadolu Japan Turizm A.S. have been engaged in anti-union activities at The Bosphorus Hotel in Istanbul: union members are being forced to resign and resignation is being encouraged with awards.

On behalf of our 397 affiliated trade unions in 125 countries we urge you to act to ensure that local management ceases these anti-union practices, recognises the union and allows workers to freely join a trade union in compliance with international norms and standards.

Yours sincerely

Ron Oswald  
General Secretary
